Aye
G A minor
I'm alone without you

Sick of the fear and Sick of the cold
Sick 'cause it's worse for the weak and the old
With two broken legs I'm climbing this hill
Sick of deciding who gets what in my will

Unforgivable but true
I'm alone without you

F
Sick 'cause I'm stuck on the wrong side of town
A minor
Sick 'cause I'm pulling but still sinking down
G
Sick 'cause I can't turn this whole thing around
E
Sick 'cause I'm too weak to hunt somebody down

Unforgivable but true
I'm alone without you

Sick of this hammer and litany of sins
Is banging and burning I can't stand the din
Sick 'cause the darkness keeps sinking on in
Sick to be leaving my family and friends
